N4G is the gas transmission system operator in the Czech Republic, ensuring economically efficient, safe and reliable transmission services for its customers 24 hours a day, 7 days a week. Through its network of almost 4,000 km of gas pipelines, N4G transports around 45 billion m³ of natural gas per year. As a Central European gas transmission system operator, N4G plays an active role in connecting and integrating European energy markets to the benefit of Czech and other European customers. At the same time, the company participates in shaping the European energy market in the context of the transition to a low carbon economy. For more information, visit www.net4gas.cz/en.
